Professional Experience in Web Development:

- Freelancer** (www.spadilha.com) - I've been developing websites for the past 7 years using the last technologies and open source content management systems. I work as a freelancer using Wordpress to develop customized themes for agencies and designers. You can see some of the jobs I've done in my website.
- Virtual Publishing House** (www.virtual.co.uk) – Nov/2009 to Set/2011
 - I worked for over 2 years at VPH, a digital agency based in London – UK. These are some projects I've been responsible for the client side development:
 - www.laphroaig.com
 - www.thedalmore.com
 - www.hideacase.com
 - www.isleofjura.com
 - www.whyteandmackay.com
- HKL Interactive Media** (www.hkl.com.br) – March/2009 to October/2009
 - Employed as FED by this interactive media agency in São Paulo, developing web sites for its client base.
- Café Azul Mídia Digital** (www.cafeazul.com.br) – June/2007 to March/2008
 - Front end developer intern at this digital agency in Juiz de Fora – MG.
